LIMITED WARRANTY

Kuryakyn warrants that any Kuryakyn products sold hereunder, shall be free of defects in materials and workmanship for a period of one (1) year from the date of purchase by the consumer excepting the following provisions:

- Kuryakyn shall have no obligation in the event the customer is unable to provide a receipt showing the date the customer purchased the product(s).
The product must be properly installed, maintained and operated under normal conditions.
Kuryakyn makes no warranty, expressed or implied, with respect to any gold plated products.
Kuryakyn shall not be liable for any consequential and incidental damages, including labor and paint, resulting from failure of a Kuryakyn product, failure to deliver, delay in delivery, delivery in nonconforming condition, or for any breach of contract or duty between Kuryakyn and a customer.
Kuryakyn products are often intended for use in specific applications. Kuryakyn makes no warranty if a Kuryakyn product is used in applications other than intended.
Kuryakyn electrical products are warranted for one (1) year from the date of purchase by the consumer. Components of Kuryakyn products containing L.E.D.s will be warranted for defects in materials and workmanship for 3 years from the date of purchase.
Kuryakyn makes no warranty of any kind in regard to other manufacturer's products distributed by Kuryakyn. Kuryakyn will pass on all warranties made by the manufacturer and where possible, will expedite the claim on behalf of the customer, but ultimately, responsibility for disposition of the warranty claim lies with the manufacturer.

ABOUT OUR CATALOG

You'll find all our innovations for H-D, GL and Metric Cruisers in our annual catalogs. Order online today-select the "CATALOGS" icon. Each Kuryakyn® product comes with a Proof-of-Purchase good for a complimentary catalog. Details in packaging.

Be sure to ask your local dealer about other Kuryakyn® products, the motorcycle parts and accessories designed for riders by riders.

PROCEDURE

Read and understand all steps in the instructions before starting the installation. Park the motorcycle on a hard, level surface and turn off the ignition.

NOTE: The Snap N Go Drink Holder has two different mounting options.

OPTION 1: Use the 1" clamp on the handle bar.

STEP 1 Bolt the Drink Holder 1" clamp to the handle bar with the two screws and nuts provided in the kit.

STEP 2 Install the bolt, 1" sleeve, and a wave washer through the clamp.

STEP 3 Use another wave washer and the acorn nut to secure the bolt to the clamp.

STEP 4 Slide the Drink Holder over the bolt and sleeve. Line up the head of the bolt with the cut out on the bottom side of the drink holder, and snap it into place.

OPTION 2: Use a bolt and spacers from the kit and bolt it to the clutch or brake perch on the handlebars.

STEP 1 Remove a stock bolt from the clutch or brake perch mount.

STEP 2 Install the bolt with the 1" sleeve and aluminum spacers in place of the bolt that was removed in step 1. Be sure to use the correct bolt for your application.

STEP 3 Slide the Drink Holder over the bolt and sleeve then line up the head of the bolt with the cut out on the bottom side of the drink holder, and snap it into place.

ATTENTION! It is the installer's responsibility to ensure that all of the fasteners (including pre-assembled) are tightened before operation of the motorcycle. Küryakyn will not issue a warranty on components lost due to improper installation. Periodic maintenance may be required.

WARNING! TO PREVENT POSSIBLE LOSS OF CONTROL, WHICH COULD RESULT IN A POSSIBLE INJURY OR DEATH, WE DO NOT RECOMMEND REMOVING AND REPLACING CUP WHILE RIDING THE MOTORCYCLE.
