

INSTALLATION

DRIVING LIGHT BAR MOUNTING BRACKET 4005

FITS: YAMAHA V-STAR 650 AND 1100, AND HONDA 750 SPIRIT

PART#	INCLUDED
404005	1 Light Bar Mount Plate, Stainless Steel
304005	1 Installation Instruction

TOOLS SUGGESTED

Set of Standard and Metric Combination Wrenches and a Set of Standard and Metric Allen Wrenches and a Factory Service Manual for wiring reference.

NOTE

We recommend using Kuryakyn Part No. 2328, Universal Wiring and Relay Kit, to manually operate the running lights. It is important to use Loctite on all hardware when installing new parts.

PROCEDURE

- STEP 1** Remove the two screws that hold the O.E.M. turn signal bar on to the triple tree and remove the turn signal bar.
- STEP 2** Remove the two screws on the head light bezel and carefully remove the bezel and bulb.
- STEP 3** Unplug O.E.M. turn signal wires that go to the turn signal bar and set them aside.
- STEP 4** Remove the two headlight bolts/nuts and lift the headlight up. Position and mount the Light Bar mounting plate under the headlight on top of the lower triple tree.
- STEP 5** Position the new light bar on to the mounting plate and fasten using two screws supplied with the light bar.
- STEP 6** Route the wires under the mounting plate and up in to the rear of the headlight.
- STEP 7** Connect the turn signal wires to the corresponding O.E.M. wires inside of the headlight. (Refer to Factory Service Manual.) We recommend connecting both of the power leads to from the driving lights to Kuryakyn Part No. 2328, Universal Wiring and Relay Kit, or an equal quality relay switch.

WIRING COLOR CODES AND INFORMATION

L.E.D. Auxiliary Running Lights and Turn Signals

COLOR	FUNCTION
Red	"Low" running light
White	"High" turn signal
Black	Ground

Silver Bullet Driving Lights

These halogen lights are grounded by their connection to the chassis. The single black wire from each light is the power wire.

STEP 8 Test for function of ALL the lights before re-assembling the headlight and bezel. Reassemble the headlight when all lights are functioning properly.

Ride On!
