### THANK YOU FOR CHOOSING KURYAKYN!

#### PLEASE NOTE

It is the installers' responsibility to make sure all fasteners (including pre-assembled) are tightened before operation of motorcycle. Kuryakyn will not warranty components that are lost due to improper installation. Periodic maintenance may be required.

#### CUSTOM ROLL BAG

Add the convenience of a universal mount roll bag with expandable end compartments for when you need that extra storage room on the road. With three separate compartments and a storage area of an 8" diameter by 19" long expanding up to a 23" length, pack all the items you need. With its semi-rigid construction, it holds shape either empty or packed full. The weather is little threat with traditional Kuryakyn weather resistant construction and new self-sealing zippers provide ample protection. For those severe storms, simply throw on the fully protective rain cover and let Mother Nature bring it on. A convenient shoulder strap makes carrying easy.

#### FEATURES

- Zippered ends and large hatch allow access to main compartment from almost all sides.
  - Expandable side compartments provide extra room when you need it and keeps the bag narrow when you don't.
  - New WATERPROOF zippers and rain cover included
  - 1200 denier construction for durability
  - Fully universal mounting straps provide endless mounting options
- Included Items: Roll bag, rain cover, and adjustable shoulder strap.  
Dimensions: 8" diameter by 19" length, expands to 23"

**NOTE** On some bikes the front turn signals may be blocked if you expand the bag.

#### SUGGESTIONS

This bag is easily installed on many different bikes. Shown in PIC.1 the front of the bag is fastened to the lower triple tree.
