LIMITED WARRANTY

Kuryakyn warrants that any Kuryakyn products sold hereunder, shall be free of defects in materials and workmanship for a period of one (1) year from the date of purchase by the consumer excepting the following provisions:

- Kuryakyn shall have no obligation in the event the customer is unable to provide a receipt showing the date the customer purchased the product(s).
- The product must be properly installed, maintained and operated under normal conditions.
- Kuryakyn makes no warranty, expressed or implied, with respect to any gold plated products.
- Kuryakyn shall not be liable for any consequential and incidental damages, including labor and paint, resulting from failure of a Kuryakyn product, failure to deliver, delay in delivery, delivery in nonconforming condition, or for any breach of contract or duty between Kuryakyn and a customer.
- Kuryakyn products are often intended for use in specific applications. Kuryakyn makes no warranty if a Kuryakyn product is used in applications other than intended.
- Kuryakyn electrical products are warranted for one (1) year from the date of purchase by the consumer. Components of Kuryakyn products containing L.E.D.s will be warranted for defects in materials and workmanship for 3 years from the date of purchase.
- Kuryakyn makes no warranty of any kind in regard to other manufacturer's products distributed by Kuryakyn. Kuryakyn will pass on all warranties made by the manufacturer and where possible, will expedite the claim on behalf of the customer, but ultimately, responsibility for disposition of the warranty claim lies with the manufacturer.

THANK YOU FOR CHOOSING KURYAKYN!

NOTE You can purchase the appropriate adapters from the main Metric Footpeg web page at www.kuryakyn.com. If any additional mounting hardware is necessary, it will be included with the adapters.

PROCEDURE

STEP 1 Before you install these pegs you need to check to make sure all fasteners are tight. These fasteners are shown in PIC.1, PIC.2, and PIC.3.

-cont.-

PIC.1

PIC.2

PIC.3

STEP 2 PIC.4 shows the socket wrench and the fastener that is used to secure the adapter to the end of the peg.

STEP 3 Place the adapter that you have purchased separately into the end of the peg and just finger tighten.

STEP 4 Attach the peg assembly to your bike following the information shown in FIG.1.

STEP 5 You can now turn your peg to the angle that you desire. You can now tighten the fastener shown in PIC.4 to keep the peg secure.

Ride On!
